December 18, 2013

Dear Mr. ~~Defaney~~ *Bill*:

Congratulations on successfully completing the first phase of BAR certification (Alpha Testing) with wired and wireless DADs. The Worldwide Environmental Products, Inc. DAD model name WEP OBDII DAD, model number 290955, firmware number "WEP OBDII DAD V1.05.8 7/29/2013 by AI Hung OK", software/dll version 1.4.0.0 is approved for use in Beta Testing. Five wired and five wireless DADs will be required to start the first phase of Beta Testing in Sacramento. BAR would then require an additional twenty wired and twenty wireless DADs to be used in the second phase of Beta Testing.

Thank you for your cooperation. If you have any questions, please contact the BAR OIS certification team at BAROIS.certification@DCA.ca.gov.

Sincerely,

A handwritten signature in black ink that reads 'Larry D. Sherwood'. The signature is written in a cursive style and is followed by a long horizontal line.

LARRY SHERWOOD, Engineering Manager
